

Satanic Dutch Royal Family executed: Pentagon sources

The Nazi Dutch Royal Family and Dutch Prime Minister Mark Rutte have been executed, according to Pentagon sources. This information has not been independently verified at the time this report went live. However, the sources have been consistently reliable in the past. This was the message we received:

“The Dutch pedo cabal led by Queen Beatrix, the Royals, and PM Mark Rutte may have been terminated by U.S. troops.”

This was done to “to stop African immigration, expose MH17, and crimes against humanity.” The sources add the European Union capital of Brussels is under U.S. military occupation to purge the EU Deep State.

The military occupation of Belgium and Holland and the execution of their elite class are long overdue. This is true not just in Belgium and Holland, but also in the U.S., England, and Canada, etc. These are people who have been torturing and murdering children on an industrial scale for millennia.

Have trouble believing that? Then check out the case of Marc Dutroux in Belgium that has been proven true by multiple court cases. https://en.wikipedia.org/wiki/Marc_Dutroux

Here is a brief summary that was taken from an article about this, which can be found at the following link: https://cwasu.org/wp-content/uploads/2016/07/Confronting-An-Atrocity.pdf?fbclid=IwAR1iFppDKV9fKTovmv9zLfwWBQduNSavsSNA4_4fuavxF6Y5u0n8tB7Jfl60

”Dutroux was twice convicted of kidnapping and raping underage children. The first time was in 1989. The second time occurred in 1996. He served only 3 and a half years of his first 13-year sentence and less than 10 years later, he was convicted of kidnapping, torturing, and abusing victims, some of them to the point of death.

Not only did the political elite finance his efforts – they made specific requests of him. Sometimes they requested specific types of children (they were called “party favors” and he was asked to deliver kids of a certain age, sex, race). Sometimes they requested specific means of torturing the children to fulfill their desires (orgies, satanic rituals involving sacrifices, torture games).

And sometimes they requested he film certain influential people engaged in these acts, for later use as blackmail.

He claimed many of his customers and financiers were world leaders. This was not a stretch of the imagination because he lived in Belgium, where the EU and NATO headquarters were located.

During his trial witnesses and victims would soon come forward, describing such things as “Black Masses,” with child and adult sacrifices taking place in front of observers and participants, which included prominent politicians and figures.

They also described “hunting parties” where elites would release naked children into the woods to hide, so that the elites themselves could hunt them down and slaughter them. Many of the stories from victims contained so many similarities they were impossible to deny. For example, the hunting parties were often held at castles, where victims could not escape and were hidden from the public eye. Those not killed in the hunt were usually chased down and mauled/killed by Dobermans.”

All of this was made public at a trial in 2004. Why wasn't it covered by the New York Times, CNN, etc.?

Meanwhile, in New York, a child torture and adrenochrome harvesting facility at 720 Fifth Avenue, was busted and hundreds of tortured children were rescued, according to Pentagon sources. This is just up the street from Jared Kushner's 666 5th Avenue mark of the beast injectable microchip factory.

The kids at this facility were kept from ages as young as 3 and repeatedly tortured and raped in order to harvest adrenochrome. They were killed once they reached puberty. The entrance to this facility was disguised as an "Abercrombie and Fitch Kids," store as a cover for children being brought in.

The link below is a list of the children, the name of the company involved, etc.

The fact that Google, Facebook, etc., won't link to this speaks volumes about who really controls these corporations. Rest assured the leadership of these companies will be rounded up soon if it has not already happened.

The ongoing takedown of this Satanic Cabal has led to some serious intrigue at the Vatican involving Pope Francis and U.S. Secretary of State Mike Pompeo among others.

According to P3 Freemason sources, Pompeo was trying to order the pope to stop all efforts to reach a peace agreement with China. Instead, Pompeo was trying to start a U.S.-China war in order to save the Satanic Cabal from the ongoing arrests and extra-judicial killings, the sources say.

In reaction, the pope refused to meet the Satanic Pompeo and purged high-ranking officials who were plotting against him, the sources agree.

This intrigue was reported in the news in the form of the sudden resignation of Cardinal Giovanni Becciu. Becciu was in charge of choosing a successor to the Pope and deciding who got nominated to be a saint. <https://www.bbc.com/news/world-europe-54289839>

Also, former government minister Vincenzo Scotti was arrested in Italy. The entire Russia collusion persecution of Trump and the false criminal charges against General Mike Flynn have been traced to Scotti. <https://www.thegatewaypundit.com/2020/09/breaking-high-level-italian-official-introduced-papadopoulos-joseph-mifsud-indictment-italy/>

P3 Freemason and MI6 sources say Scotti, Pompeo, and Becciu take orders from Jacob Rothschild (or whoever now heads that dynasty). They also say it is linked to an attempt by the Rothschilds to steal Vatican gold in Indonesia.

They need gold because the Satanic Khazarian mafia (not to be mistaken with Jews) is losing the main source of their power, control of the world's money. They are especially desperate to get gold

now that their COVID (Certificate Of Vaccine ID) injectable RFID linked digital money scheme is literally going up in flames.

The video at the link below shows a Huawei 5G research laboratory in China burning. <https://www.youtube.com/watch?v=OKxg5zibaHM&feature=youtu.be>

<https://www.globaltimes.cn/content/1202081.shtml>

Asian secret society sources say this was burnt down because the Chinese authorities realized it was 5G electromagnetic attacks and not a virus that caused the mass deaths in Wuhan, China.

MI6 sources confirm the entire 5G campaign has now been stopped. The whole “pandemic” campaign was designed to get people to accept being vaccinated with RFID chips. This was meant to allow the sheeple to be constantly monitored in great detail using the 5G spectrum. It would also have facilitated a mass culling of the world’s population. Instead, it is the Satanic Khazarian mafia who are being culled.

The lockdown in Israel is a sign their complete defeat is imminent. Pentagon sources described the crackdown there as “The ultimate smackdown of [the Satanic cult disguising itself as] Judaism.” The lockdown during Yom Kippur is “is aimed to deny atonement, Kol Nidre,” i.e. the breaking of all oaths. In addition, they say the lockdown “prevents Jewish criminals and mafia from leaving with outgoing flights banned.”

This is so that “war criminals sought by ICC may be detained,” they add. Also, “Russian, Ukrainian, and other trafficked eastern European women, children liberated from sex slavery,” the sources say. They add that U.S. President Donald Trump felt strongly about this because they remind him of Melania and Ivana.

“It appears Notorious Ruth Bader Ginsburg’s death and cabal roundups in the USA, Israel, Portugal, Belgium, Netherlands, Australia, Switzerland and elsewhere are part of a military operation to terminate the Jewish mafia as Joint Chiefs of Staff Chairman General Mark Milley declares victory for white hats on capitol hill.”

The Pentagon sources sent this photo to illustrate:

However, the war is definitely not over yet. Japanese military intelligence estimates the total number of Satanists to be about one million (compared to a total of 16-million Jews). Until they are all either expunged or rounded up and re-educated, the war will continue.

Russian sources, for example, report that Israeli assassination squads are active in 25 U.S. cities. The sources say:

“These Satanic Israeli rats are murdering U.S. citizens as they murder Palestinians. They round up one person and torture and murder him. After that, they attack and murder another U.S. patriot. These Isra-Rats are too scared to fight face to face in the open. That is why they secretly attack and murder U.S. citizens one by one.”

There are signs these desperate, cornered rats, having run out of children to torture are now targeting horses. There are reports of horses being mutilated in Satanic rituals in Poland, Sweden, France, and elsewhere. The horses all have one eye, one ear, and their genitalia removed. The blood is then entirely drained from the bodies by people with veterinary knowledge, French police say. This could be an alternative form of manufacturing adrenochrome.

The fact most of the attacks are taking place in France might also mean the Satanists are using the horses in Satanic rituals to invoke entities for the protection of embattled President Emmanuel Macron. Macron's deputy Pierre Person has just been forced to step down. Also, Macron's attempt to take over Lebanon by attacking it with a nuclear weapon has failed.

We assume arrests of Satanists in Germany and France will be coming after the rest of Europe is cleaned up.

The Satanists also appear to be stealing body parts of saints from churches and cathedrals in order to use them in Satanic rituals. These rituals are used to invoke powerful entities to help them in their battle against humanity, P3 Freemason sources say. The latest such theft was of a vial containing the blood of Saint John Paul II. <https://news.abs-cbn.com/overseas/09/25/20/relic-of-pope-john-paul-iis-blood-stolen-from-italian-cathedral>

Despite these efforts, MI6 sources predict a complete and public overthrow of the Khazarian mafia in the U.S. and Europe is coming soon. This will be seen when all the corporate media start reporting the truth about who was really ruling the West all these years. The truth will shock the sheeple to their core.

To conclude this week we would like to point out a few items of good news. One is that the U.S. government has cut funding for "color revolutions," in places like Belarus, Hong Kong, and Iran. <https://www.theguardian.com/us-news/2020/sep/24/trump-open-technology-fund-hong-kong-belarus-iran>

Another is that the long-awaited hydrogen revolution looks like it is finally beginning. Hydrogen-powered cars are a much better technology than gasoline because the only exhaust they emit is water vapor. Also, unlike electric cars, they can be filled quickly and have a much longer range on a tank of fuel. <https://finance.yahoo.com/news/saudi-arabia-sends-blue-ammonia-111111461.html>

One more sign of fundamental change at the top of the world's power structure is that approval has finally been given for a tunnel linking Alaska with the Eurasian landmass, according to Asian secret society sources. This is what is behind the approval by Trump of a rail line linking Alaska and Alberta. <https://www.cbc.ca/news/canada/calgary/a2a-railway-1.5740678>
