As Victory Nears White Hats Plan Yalta Type Conference

Victory in the battle for Planet Earth is now within the grasp of the White Hats. For that reason, a Yalta-type conference is being planned for this autumn to determine exactly how to manage the transition to a new age, according to multiple sources involved. Participants in the conference will include representatives from the Dragon Family, from the Hongmen, from the British Commonwealth, from Russia, and from the P3 Freemasons who control the Vatican. Mossad and the Pentagon are also welcome to send representatives if they wish, according to the sources.

During the summer, government agencies will be encouraged to run simulations of a jubilee-type event that would be used to start the new age. The goal would be to make sure that as a result of the jubilee, humans would have ownership rights to their current residence. Landlords would also be given compensation equivalent to their current rental income. There would also be a redistribution of assets stolen from the people via central bank fiat fraud, especially since the gold standard was dropped in the early 1970s. This is intended as a one-off reboot and not some new form of socialism.

Also to be discussed will be a complete reform of existing institutions including the IMF, the World Bank, the BIS, the UN, the International Criminal Court, etc. An agreement has also been reached to finance the creation of a world future planning organization with an annual budget ranging in trillions of dollars.

An ultimatum was given via the UN Security Council to the WHO, the Rockefellers, and Rothschilds to stop their depopulation vaccination campaign or their headquarters in Geneva would be vaporized in a flash. The world has awakened to their Satanic genocide plan.

Another target is the Pirbright Institute in Woking, England headed by Alex Younger and Richard Moore. In addition, the Biden Residency shooting locations in Palo Alto California, Atlanta Georgia, New York City, and Amazon corporate headquarters will all be destroyed if this satanic political theater doesn't get canceled.

Also, in addition to the death warrant issued against David Rockefeller Jr., another one has been issued for...

Mark "adrenochrome baby" Zuckerberg, which has Jen Psaki worried as well.

Are they brother and sister? Or is that just him with a wig on?

Furthermore, U.S. Military Joint Chiefs Chairman General Mark Milley and murderous former CIA Director Michael Hayden have been identified as traitors after it was discovered they had secret Rockefeller-funded bribery accounts at Deutsche Bank and the Union Bank of Switzerland.

Overall, the police in various Western countries have been ordered by the military to stop protecting their governments since they have all been compromised, MI6 sources say.

There are many publicly visible signs that this is the real deal. In the UK, chief Covid fear porn propagandist and "Health Minister" Matt Hancock was fired following the leak of documents that he was planning a permanent fascist "lockdown." This made palace officials "apoplectic" and led to military intervention to end the illegal medical martial law in the UK.

Corporate media are saying Hancock "resigned," because of "inappropriate personal behavior." https://www.theguardian.com/politics/2021/jun/26/matt-hancock-resigns-after-questions-over-relationship-with-aide

https://rumble.com/viww3n-leaked-docs-on-permament-lockdown-of-uk-in-3weeks.html?fbclid=IwAR0LTQInLKreiygBukVWQ3N88DGye6n2Qv3tHRF0yPcfw6YkwpbUn75cUnQ

The Italian P3 Freemasons for their part have distributed leaked Rockefeller controlled World Bank Documents that call for the ongoing fake pandemic campaign to continue until 2025. Any talk of a "delta variant," for example, is just part of this script.

In the U.S. meanwhile, clinical scientists and immunologist-virologists from seven universities including Stanford, Cornell, and the University of California are suing the CDC for massive fraud. That is because the scientists, using the latest technology, could not find Covid-19 in even one of 1,500 samples of people who were "confirmed as infected" when they "tested positive."

ALL the "positive" people were simply found to have Influenza A and to a lesser extent Influenza B. The scientists all asked the CDC for viable samples of Covid-19 and were told that well... actually they don't have any samples. https://greatreject.org/laboratories-cant-find-covid-19-in-positive-tests/

In Canada, Chief Public Health Officer Teresa Tam has been outed as a cross-dressing Chinese communist agent.

OOA D Liked by jessicariley0301 and others wokencanadian Guess WHO?!

wokencanadian Guess Wi+IO?!
Theresa Tam (BiBAI)F, born a man in 1965) was appointed to the position on June 28 2016 to Chief Public Health Officer of Canada and head of the Public Health Agency of Canada (PARC). Tam acted as Chief Public Health Officer of Canada after the retirement of Gregory Taylor in December 2016 until her formal appointment by Canadian Minister of Health Jane Philipott in 2017. The above is from an old Wikipedia post on him that has since been updated not to reveal that Dr. Tam is biologically a male who suffers from gender dysphoria. Dr Teresa Tam is a Hong Kong native and Chinese nationalist and now Canada's top (Quack Quack) Dr. (with possible links to the CCP) may just be promoting the Mark of the Beast? Is there any vender she suffers from Gender dysphoria? This is who Prime Minister Justin Trudeau and the Premiers are listening sott!

Tam is one of the chief engineers of the attempted medical totalitarian take-over of Canada that communist Manchurian Agent Justin Castro tried to engineer. The Canadian military has been ordered to end the entire medical fascist project in Canada.

Russian FSB sources for their part say:

"We will act silently, without displaying our actions and purposes to push out the corrupt pharma and fake test companies and to completely redo the old ways of health care so that medicine will once again focus on prevention and a rediscovery of the power of nature. This program will focus on protection from information viruses [like Covid-19] and train minds not to bend to any infodemia, manipulation, etc."

We can also confirm the Khazarian Mafia has lost control of Indonesia following the execution of the Dutch Royal Family and their top Indonesian proxy; a person known as Fetullah. This can be confirmed publicly by the fact Indonesia has announced their currency, the Rupiah, will be backed by gold just like Russia, China, and India, according to CIA sources.

The following news item, "Indonesia, home to one of the world's largest gold mines, plans to set up a bullion bank to spur trading of the precious metal domestically," backs up what this source is saying. https://finance.yahoo.com/news/indonesia-home-giant-gold-mine-

The other move by the White Hats last week was to put anti-cabal warrior John McAfee under protection. He did not commit suicide, CIA sources say. The following tweet hints at this:

"I am content in here. I have friends. The food is good. All is well. Know that if I hang myself, a la Epstein, it will be no fault of mine." https://twitter.com/officialmcafee/status/1316801215083225096

Readers of this newsletter know that Epstein was a double agent who is now under witness protection.

Of course, the Khazarian Mafia is fighting back hard. The widely reported "building collapse" controlled demolition in Florida is an example. McAfee tweeted on June 8th that "if anything ever happens to me please note that the 31TB of files I have are located on hard drives in my condo near 88th street and Collins Avenue just North of Miami Beach." This is the Address of the collapsed condo.

Khazarian agent, Demoncrat Mayor
Cava immediately declared a "Level 5" mass casualty
event— this requires over 1,000 victims and the
overwhelming requirement of regional resources — neither of
which is true. However, this allowed fake President Biden to
declare a national emergency and place everything collapserelated under his direct control, according to naval
intelligence sources.

General McInerney

It was Congresswoman Debbie Wasserman-Schultz's district today where the building collapsed in Florida. She also had a meeting with Biden yesterday.

Debbie is a known pedophile and in the Clinton circle. © 34.5K 12:34 PM

CIA sources for their part say the First Lady and Family of Paraguay were in the building and are still missing. Paraguay is days away from making bitcoin their official national currency. In other words, it was a fiat banker hit job.

There have also been yet again multiple attempts to start a nuclear Armageddon by the messianic fanatics. One was an attack on an Iranian nuclear facility. https://www.debka.com/quadcopter-drone-strike-near-faraj-new-chapter-in-covert-campaign-versus-nuclear-iran/

The other was the deliberate sending of the Royal Navy's Type 45 destroyer, HMS Defender, into Russian territorial waters in the expectation that Russia might respond aggressively. https://www.bbc.com/news/uk-57624942

In the U.S. National Guardsmen just completed a two-week training exercise preparing for a cyber-attack to take down national infrastructure. The attack is already becoming a reality with blackouts, water shortages, food supply disruptions, etc. This is another reason why the riot act was read to the cyber-polygon WEF Khazarian Mafia headquarters in Switzerland. https://www.thedrive.com/the-war-zone/41243/the-national-guard-just-simulated-a-cyberattack-that-brought-down-utilities-nationwide

The U.S. meanwhile, continues to spiral into chaos, bloodshed, and anarchy. Fiat money is being poured by the cabal into a "homeless industrial complex, and they're raking in money, not by the millions, not by the hundreds of millions, by the billions," warned Los Angeles Sheriff Alex Villanueva. https://www.zerohedge.com/political/enough-enough-los-angeles-sheriff-urges-state-emergency-homelessness

In San Francisco, for example, they are using taxpayer money to pay for homeless tents costing \$60,000 each annually. https://reason.com/2021/06/25/critics-warned-the-largest-tax-increase-in-san-francisco-history-would-be-ill-spent-its-now-funding-60000-tents-for-the-homeless/

Meanwhile, the murder rate is surging to unprecedented levels as police are defunded. https://www.zerohedge.com/political/americas-historic-murder-surge-occurred-during-defund-police

Furthermore, all this incompetently pumped-out money is triggering hyper-inflation as the chart below clearly shows. https://cms.zerohedge.com/s3/files/inline-images/bfm1BE5_1.jpg?itok=5fpsnX5d

The above are all reasons why the incompetent Rockefeller-led criminal oligarchy that hijacked the G7 and the West needs to be removed ASAP and with extreme prejudice. Make no mistake they are mass murderers. This has been proven most recently by their attempt to exterminate the global population of "useless eaters" with toxic vaccines (as multiple whistleblowers have testified). They are also powerful enough to replace Pope Francis and G7 leaders with rubber mask-wearing imposters and CG frauds.

On a final note, here is an example of what will be possible once the White Hat victory is complete. The article below talks about a gene therapy "vaccine" that could give everybody the genes of long-living Olympic athlete-bodied geniuses if they should so desire. https://www.studyfinds.org/superhero-vaccine-olympic-dna-euan-ashley/

The Future Planning Organization will work to end poverty and stop environmental destruction and will invest huge funds into ending all forms of the disease.

We also note the Pentagon released a report about Unidentified Areal Phenomena (UAP). The report says these are real but doesn't mention aliens. https://www.dni.gov/files/ODNI/documents/assessments/Prelimary-Assessment-UAP-20210625.pdf

I have personally talked to people who tell me they have ridden in Nazi-developed flying saucers. After the good guys win, they will be made available to the general public and the quarantine the planet is under will be lifted.
