GLOBALIST DISEASE: OBSESSIVE COMPULSIVE DISORDER (OCD)

General Michael Flynn put the following out on Telegram [14.07.21 10:29]:

“The future is so much brighter than people can imagine. Nothing about what we are going through is normal and the reason for that is this: We are on the precipice of a new era. This is why you are experiencing so many challenges, this is why you have been tested and trained. The cabal had nearly unchallenged authority before this generation. All that is changing and we aren't going back. Keep this in mind whenever you struggle. These birth pains are not in vain.”

How many lies will they tell & how far into the depths of depravity will they sink?

It is difficult to believe that an organisation so apparently benign & a part of our daily lives for decades is evil.

Just as it was difficult to believe that they were dishonest. But as time passes, more evidence creeps into our lives to show just how bad the Media situation really is. (2018, pre-Covid)
