

UK Civil Service Infiltrated by German Agents (Deutsches Verteidigungs Dients) DVD.

Schools damaging children

When we wrote to Devon County Council complaining about their RSE, Sexual Education LGBTP curriculum & books.

They said it wasn't their job as it had all been contracted out on Corporate Contracts.

In fact all they do now is hand out contracts to The Corporations.

They said they take all their orders from "Central Government", which was a lie.

It's probably the Top Civil Servants, who allegedly work for same German Organisation who our parents fought two wars against.

If you think this is a joke it's not.

It is now apparent that the Corporate Entities controlling our schools & The UK Civil Service,

are allegedly Satanic & destructive.

Benjamin Fulford's latest update states that;

MI6 says all Cabinet secretaries since WWII have been double agents, including Simon Case. https://en.wikipedia.org/wiki/Simon_Case the current cabinet secretary and his predecessor Mark Sedwill. https://en.wikipedia.org/wiki/Mark_Sedwill

These men are "both DVD (NAZI) agents and traitors to the United Kingdom," according to MI6.

These revelations have put Number 10 Downing Street "in a blind state of panic,"

So all these fucking Tory/Lib/Lab crooks who spent years with their noses in the trough,

failed to notice this major breach of National Security.

Or maybe they are all; EU Loving, Marxist, Satanic Nazi entities.
