

# **Complaint Against \_\_\_\_\_ County Council & \_\_\_\_\_ City Council Civil Servants**

**It seems ironic that you ignored us when we attended your Council meetings to stop you installing a 5G Radiation Grid in our Cities.**

**And that you illegally used £millions of taxpayers money for a fake Climate Emergency.**

**But were unable to help us when we were faced with a bioweapon & vaccine attack.**

**And you gave the Corporate Vaccine mass murderers every assistance in their endeavours to kill us.**

**You didn't declare an emergency to use your resources to help us.**

**You just tried to increase the number of people with vaccine damage.**

**With your Lockdowns, travel bans & business shutdowns.**

**You have destroyed the local economy**

**And now you still sit silent, with no apologies, on full wages with bonuses as you continue to protect The Corporations, the fraudsters, your Marxist allies, the mass murderers, the Satanic paedophiles & the Media Liars.**

**As you continue to damage our school children with 5G Radiation, the paedophile LGBT school curriculum & parent, family abuse.**

**You have committed multiple Crimes Against Humanity.**

**I still remember your defence of your actions; "We were just doing what we were told."**

**Which, of course, is no defence in an International Court or in the court of public opinion.**

**Obviously, our Council Tax wasn't enough for you.**

**You took Satanic money out of personal greed,  
as you looked down on us with superiority and contempt.**
