

COVID 19 UPDATE.

The official position of the Chinese Communist Party (CCP) is that the true origin of the COVID-19 pandemic is from a laboratory at Fort Detrick, a US Army base housing a virology facility in Maryland.

A bioweapon was sent to China during the Wuhan military games in October-2019.

The US Army participants in the Wuhan military games were medically cleared to go to China at Fort Belvoir in Fairfax-Virginia.

Medical clearances were signed by US Army Colonel Edward McDaniel Jr, M.D.

Yesterday Colonel-Doctor McDaniel and his US Army physician wife Brenda McDaniel were assassinated in cold blood in front of their Springfield-Virginia home located about 14-miles southwest of Washington, D.C.

The Biden Democrats & the US Media are in total meltdown over this Covid BioWeapon exposure.

With Russia & China standing firm.

Speculation;

Assuming that The Globalist UK/USA used a Bioweapon worldwide on the world population, this is not just a Crime Against Humanity.

This is an Act of War against every country in the World.

An act of war which will be blamed on who ?

The Rothschilds, The Rockefellers, The Vatican, The Pentagon, The Corporate Network of Global Control, The World Health Organisation, The UN, or the European Royals.?

And if there were a meeting between Putin & Biden, what repatriations would be demanded to avoid an immediate Nuclear attack.?

This is the end of the Biden Presidency & The Democrat Party.

What happens to the UK Deep State & The City Of London is anybody's guess.

One thing is sure, they won't be able to bluff their way out of this one.

Russia & Chine are beyond negotiating.
