LITHUANIA VACCINE PASSPORTS

Vaccine passports have turned society into a dystopian nightmare, forcing unvaccinated people to live like fugitives, unable to buy groceries, fuel, medicine or even clothing, due to being banned from almost every retail establishment. They are also banned from banks, libraries and universities, denied access to financial services and higher education.

CRAP26: Study Warns 'Luxury' Pollution By Global Mega-Rich Is The Real Problem

The richest people on the planet, representing a small sliver of the total population, are emitting carbon dioxide at a rate that's imperilling hopes of keeping global heating below 1.5°C.

Fresh calls for government action to rein in "luxury" pollution and combat the intertwined crises of inequality and climate change.

New research by the Institute for European Environmental Policy (IEEP) and the Stockholm Environment Institute (SEI) shows that by 2030, the carbon footprints of the wealthiest 1% of humanity are on track to be 30 times larger than the size compatible with limiting global warming to 1.5°C by the end of the century, the Paris Agreement's more ambitious temperature target.

@VanessaBeeley Syria

#Israel just attacked air defense base west #Damascus. I was 100 metres from a missile landing. Jets overhead. First time #Israel attack daytime & jets appear to be in Syria #Syria airspace. I am ok, dozens of civilians were close to first missile. Not sure if any casualties.
