The Illuminati Goals (summary)

1. To establish a One World Government/New World Order with a unified church and monetary system under their direction.
2. To bring about the utter destruction of all national identity and national pride.
3. To engineer and bring about the destruction of religion.
4. To establish the ability **to control of each and every person through means of mind control** and what Zbigniew Brzezinski called technotronics, which would create human-like robots and a system of terror.
5. To bring about the end to all industrialization and the production of nuclear generated electric power in what they call "the post-industrial zero-growth society". Excepted are the computer- and service industries.
6. To encourage, and eventually legalize the use of drugs and make pornography an "art-form."
7. To bring about depopulation of large cities.
8. To suppress all scientific development except for those deemed beneficial by the Illuminati.
9. **To cause the death of three billion people by the year 2050**, people they call "useless eaters". The Committee of 300 (Illuminati) commissioned Cyrus Vance to write a paper on this subject of how to bring about such genocide. The paper was produced under the title "Global 2000 Report" and was accepted and approved for action by former President James Earl Carter, and Edwin Muskie, then Secretary of States, for and on behalf of the US Government. Under the terms of the Global 2000 Report, **the population of the US is to be reduced by 100 million by the year of 2050.**
10. To weaken the moral fibre of the nation and to demoralize workers in the labour class by **creating mass unemployment.**
11. To keep people everywhere from deciding their own destinies by means of one **created crisis after another.**
12. To introduce new cults and continue to boost those already functioning which include rock music gangsters.
13. To continue to build up the cult of Christian Fundamentalism begun by the British East India Company's servant Darby, which will be misused to **strengthen the Zionist State of Israel.**
14. To press for the spread of religious cults such as the Moslem Brotherhood, Moslem Fundamentalism, the Sikhs, and to carry out **mind control experiments.**
15. To export "religious liberation" ideas around the world so as to undermine all existing religions.
16. **To cause a total collapse of the world's economies and engender total political chaos.**
17. To take control of all foreign and domestic policies of the US.
18. To give the fullest support to supranational institutions such as the United Nations, the International Monetary Fund (IMF), the Bank of International Settlements, the World Court and, as far as possible, make local institutions less effective, by gradually phasing them out or bringing them under the mantle of the UN.
19. To penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of the nations represented by them.
20. **To organize a world-wide terrorist apparatus and to negotiate with terrorists whenever terrorist activities take place.**
21. **To take control of education in America with the intent and purpose of utterly and completely destroying it.**
