

# THE UNITED NATIONS Created Climate Change for a Worldwide Tax Fraud.

Recent evidence has been provided by the United Nations OPCW inspectors who were on the ground in Douma Syria.

Which outlines how the United Nations altered the finding of the OPCW inspectors not only to malign Syrian president Assad but to actually start a war with a multiple cruise missile attack. This shatters the myth of United Nations integrity.

It also again brings into question the integrity of the United Nations science data on Climate Change, 5G safety & the alleged UK Salisbury Novichok attack.

This was alleged to be a chain of events designed to start WW3 with Russia.

The United Nations has been a respected & valued organisation for decades but has recently been challenged for a multitude of catastrophic errors.

Haiti stands out as a source of consummate evil perpetrated by the United Nations relief army. Sex for food was claimed to have occurred, rape & child trafficking & a billion gold theft. A close associate of Hillary Clinton was actually locked up in jail in Haiti for trafficking 30 young girls out of the country for a sex cartel.

Then there was a the fake graph produced to justify the Climate Change data.

In the Supreme Court of Canada the United Nations failed to present any validating data to support its Climate Change "Hook Graph" .

The Book by Tim Ball PhD on the United Nations "Deliberate Corruption of Climate Science."

There are also extended accusations of the United Nations training its soldiers to terrify rape & pillage domestic unarmed populations.

Not to mention the United Nations plan to invade the USA after their allies, The Democrats create a Civil War.

The United Nations administration appears to have been taken over by a group of immoral fraudsters whose only aim is to destroy world peace & harmony.

It is one of the sad ironies of modern culture that the World Champion of Peace & Integrity has been corrupted into the main protagonist supporting & creating a Global Government of Fascists mass murderers.

People who want a massive Worldwide War to destroy our existing societies & allow the creation of a Global World Government from the ashes of destruction.

The Western Mainstream media are the strength behind the United Nations Frauds.  
They have supported The Corporations & The United Nations Doctrine religiously.

As The Banker Media they have been paid to indoctrinate with propaganda & disinformation to keep us all ignorant of the corrupt administrations who laugh at us as they live off a continuous stream of multiple taxpayer frauds.

Judgement Day is coming for all these criminals.  
They are to be given a choice of reconciliation for information, or a life in jail.  
The Paedophiles & Child Traffickers will be shown no mercy.
