

The EU Referendum is a Diversion.

The sale of The Land Registry is not just about The Land Registry privatisation, it is about the wholesale theft of 900 years of UK Taxpayers Public owned sovereign assets.

Local town parks, national parks, roads, council estates, town halls, hospitals, school buildings, county council offices, Whitehall & a million properties as yet unknown. The Land Registry holds the deeds for every public owned sovereign asset.

This is for those of us who tried & failed to raise the publics' awareness to The Infrastructure Act 2015 which was pushed through the House of Commons in February 2015, just 3 months before the May General Election, and not mentioned by the media or by the political parties at the time.

Sections of the Infrastructure Act include;

1. Setting up a Strategic Highways Company to oversee road privatisation.
2. The transfer of planning control to central government.
3. The transfer of all Public Land & Sovereign Property to central government, in The Land Registry.
4. The setting up of UK Petroleum to facilitate Fracking at Taxpayers expense.

Only to be followed by The Consumer Rights Act 2015 which actually stripped the public of any rights they had to take companies to court for; fraud, faulty goods, bad service etc.

Cameron, Goldman Sachs, Rothschild Bank & The City of London are running rings around us.

They are writing Law every day as fast as they can to take everything we own, all our savings, all our legal rights.

They have given up on Democracy, Parliament, The Law. If they don't like a law, they just change it for their own personal enrichment. (Breach of Fiduciary responsibilities)

The Corporations foreign policy of War & Fraud has now been turned on their own population. Its a free for all, wild west, grab it all sale.

It is a failing of the British public to judge others by their own honesty & integrity, to give people the benefit of the doubt or another chance.

But these people are cynical criminals who have taken over our Democratic State to satisfy their own lust for power & greed.

The Committee of 300 who allegedly control the lives of the western nations of the UK/EU/US have declared war on us all.

It is advised to be aware of the things that are going on in the USA & Europe & to be aware that we are all under the same Corporate Banker Government.

And be advised of this; They do not want to be caught. They will crash the Western Economies or start a nuclear World War III with Russia rather than go to jail.

HOW TO CREATE A SOCIALIST STATE

BY SAUL ALINSKY

There are eight levels of control that must be obtained before you are able to create a socialist state. The first is the most important.

- 1) **Healthcare**—Control healthcare and you control the people
- 2) **Poverty**—Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live.
- 3) **Debt**—Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.
- 4) **Gun Control**—Remove people's ability to defend themselves from the Government. That way you are able to create a police state.
- 5) **Welfare**—Take control of every aspect of their lives (Food, Housing, and Income)
- 6) **Education**—Take control of what people read and listen to – take control of what children learn in school. Think: "Common Core"
- 7) **Religion**—Remove the belief in God from the Government and schools.
- 8) **Class Warfare**—Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor.

“Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves.” –Walter Rathenau, 1909, founder of the mammoth German General Electric Corporation

The Committee of 300 is a product of the British East India Company’s Council of 300. The East India Company was chartered by the British royal family in 1600. It made vast fortunes in the **opium** drug trade with China and became the largest company on earth in its time. Today, through many powerful alliances, the Committee of 300 rules the world and is the driving force behind the criminal agenda to create a “New World Order”, under a “Totalitarian Global Government”. There is no need to use “they” or “the enemy” except as shorthand. We know who “they”, the enemy, is. The Committee of 300 with its “aristocracy”, its ownership of the U.S. Federal Reserve banking system, insurance companies, giant corporations, foundations, communications networks, presided over by a hierarchy of conspirators-this is the enemy. Secret societies exist by deception. Each is a hierarchy with an inner circle at the top, who deceives those below with lies, such as claiming a noble agenda; thus, duping them into following a web of compartmentalized complicity. **The inner circle of the Committee of 300 is the Order of the Garter**, headed by Queen Elizabeth Windsor II. It is interesting to note that the Windsor’s changed their name from the Germanic Saxe-Coburg-Gotha during WWI, because of anti-German sentiment.

The enemy is clearly identifiable as the Committee of 300 and its front organizations, such as the **Royal Institute for International Affairs** (Chatham House), the **Club of Rome**, **NATO**, **U.N.**, the **Black Nobility**, the **Tavistock Institute**, **CFR** and all its affiliated organizations, the think tanks and research institutions controlled by Stanford and the Tavistock Institute of Human Relations and last, but certainly not least, the military establishment.

The Committee of 300 is the ultimate secret society made up of an untouchable ruling class, which includes the Queen of the United Kingdom (Elizabeth II), the Queen of the Netherlands, the Queen of Denmark and the royal families of Europe. These aristocrats decided at the death of Queen Victoria, the matriarch of the **Venetian Black Guelfs** that, in order to gain world-wide control, it would be necessary for its aristocratic members to “go into business” with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as “the commoners”. Through their illicit banking cartel, they own the stock of the Federal Reserve, which is a private for profit corporation that violates U.S. Constitution and is a root of the problem.

The decadent American families of the unholy partnership, thoroughly corrupted and wallowing in tainted opium money, went on to become what we know today as the Eastern Liberal Establishment. Its members, under the careful guidance and direction of the British Crown, and subsequently, its foreign policy executive arm, the Royal Institute for International Affairs (RIIA), now known as Chatham House, located in England (across St. James’s Square from the Astors), ran the United States from top to bottom through their secret upper-level, parallel government, which is tightly meshed with the Committee of 300, the ultimate secret society. That secret, all-powerful government is now more in control of the United States than ever before.

What are the goals of the secret elite group, the inheritors of Illuminism (Moriah Conquering Wind), the Cult of Dionysius, the Cult of Isis, Catharism, Bogomilism? This elite

group that also calls itself the OLYMPIANS (they truly believe they are equal in power and stature to the legendary gods of Olympus, who have, like Lucifer their god, set themselves above our true God) absolutely believe they have been charged with implementing the following by divine right:

- 1.** A One World Government-New World Order with a unified church and monetary system under their direction. Not many people are aware that the One World Government began setting up its “church” in the 1920’s/ 1930’s, for they realized the need for a religious belief inherent in mankind to have an outlet and, therefore, set up a “church” body to channel that belief in the direction they desired.
- 2.** The utter destruction of all national identity and national pride.
- 3.** The destruction of religion and more especially the Christian religion, with the one exception, their own creation mentioned above.
- 4.** Control of each and every person through means of mind control and what Brzezinski call “technotronics” which would create human-like robots and a system of terror beside which Felix Dzerzinski’s Red Terror will look like children at play.
- 5.** An end to all industrialization and the production of nuclear generated electric power in what they call “the post-industrial zero-growth society.” Exempted are the computer and service industries. United States industries that remain will be exported to countries such as Mexico where abundant slave labour is available. Unemployables in the wake of industrial destruction will either become opium-heroin and or cocaine addicts, or become statistics in the elimination process we know today as Global 2000.
- 6.** Legalization of drugs and pornography.
- 7.** Depopulation of large cities according to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot’s genocidal plans were drawn up here in the United States by one of the Club of Rome’s research foundations. It is also interesting that the Committee is presently seeking to reinstate the Pol Pot butchers in Cambodia.
- 8.** Suppression of all scientific development except for those deemed beneficial by the Committee. Especially targeted is nuclear energy for peaceful purposes. Particularly hated are the fusion experiments presently being scorned and ridiculed by the Committee and its jackals of the press. Development of the fusion torch would blow the Committee’s conception of “limited natural resources” right out of the window. A fusion torch properly used could create unlimited untapped natural resources from the most ordinary substances. Fusion torch uses are legion and would benefit mankind in a manner which is as yet not even remotely comprehended by the public.
- 9.** Cause by means of limited wars in the advanced countries, and by means of starvation and diseases in Third World countries, the death of 3 billion people by the year 2000, people they call “useless eaters.” The Committee of 300 commissioned Cyrus Vance to write a paper on this subject of how best to bring about such genocide. The paper was produced under the title the “Global 2000 Report” and was accepted and approved for action by President Carter, for and on behalf of the U.S. Government, and accepted by Edwin Muskie, then Secretary of State. Under the terms of the Global 2000 Report, the population of the United States is to be reduced by 100 million by the year 2050.
- 10.** To weaken the moral fibre of the nation and to demoralize workers in the labour class by creating mass unemployment. As jobs dwindle due to the post industrial zero growth policies introduced by the Club of Rome, demoralized and discouraged workers will resort to alcohol

and drugs. The youth of the land will be encouraged by means of rock music and drugs to rebel against the status quo, thus undermining and eventually destroying the family unit. In this regard The Committee of 300 commissioned Tavistock Institute to prepare a blueprint as to how this could be achieved. Tavistock directed Stanford Research to undertake the work under the direction of Professor Willis Harmon. This work later became known as "The Aquarian Conspiracy."

11. To keep people everywhere from deciding their own destinies by means of one created crisis after another and then "managing" such crises. This will confuse and demoralize the population to the extent where faced with too many choices, apathy on a massive scale will result. In the case of the United States, an agency for crisis management is already in place. It is called the Federal Emergency Management Agency (FEMA), whose existence I first disclosed in 1980.

12. To introduce new cults and continue to boost those already functioning which includes rock "music" gangsters such as the filthy, degenerate Mick Jagger's "Rolling Stones" (a gangster group much favoured by European Black Nobility) and all of the Tavistock created "rock" groups which began with "The Beatles." To continue to build up the cult of Christian fundamentalism begun by the British East India Company's servant, Darby, which will be misused to strengthen the Zionist state of Israel through identifying with the Jews through the myth of "God's Chosen People" and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.

13. To press for the spread of religious cults such as the Moslem Brotherhood, Moslem fundamentalism, the Sikhs, and to carry out experiments of the Jim Jones and "Son of Sam" type of murders. It is worth noting that the late Ayatollah Khomeini was a creation of British Intelligence Military Intelligence Division 6, commonly known as M16, as I reported in my 1985 work, "What Really Happened in Iran."

14. To export "religious liberation" ideas around the world so as to undermine all existing religions but more especially the Christian religion. This began with "Jesuit Liberation Theology" which brought about the downfall of the Somoza family rule in Nicaragua and which is today destroying EI Salvador, now 25 years into a "civil war," Costa Rica and Honduras. One very active entity engaged in so-called liberation theology is the Communist oriented Mary Knoll Mission. This accounts for the extensive media attention to the murder of four of Mary Knoll's so-called nuns in EI Salvador a few years ago.

The four nuns were Communist subversive agents and their activities were widely documented by the government of EI Salvador. The United States press and news media refused to give any space or coverage to the mass of documentation in possession of the Salvadorian government, documentation which proves what the Mary Knoll Mission nuns were doing in the country. Mary Knoll is in service in many countries, and played a leading role in bringing Communism to Rhodesia, Mozambique, Angola and South Africa.

15. To cause a total collapse of the world's economies and engender total political chaos.

16. To take control of all Foreign and domestic policies of the United States.

17. To give the fullest support to supranational institutions such as the United Nations (UN), the International Monetary Fund (IMF), the Bank of International Settlements (BIS), the World Court and, as far as possible, make local institutions of lesser effect by gradually phasing them out or bringing them under the mantle of the United Nations.

18. Penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of nations represented by them.

19. Organize a world-wide terrorist apparatus and negotiate with terrorists whenever terrorist activities take place. It will be recalled that it was Bettino Craxi who persuaded the Italian and U.S. governments to negotiate with the Red Brigades kidnapers of Prime Minister Moro and General Dozier. As an aside, General Dozier is under orders not to talk about what happened to him. Should he break that silence, he will no doubt be made “a horrible example of” in the manner in which Kissinger dealt with Aldo Moro, Ali Bhutto and General Zia ul Haq.

20. Take control of education in America with the intent and purpose of utterly and completely destroying it.

Much of these goals, which I first enumerated in 1969, have since been achieved or are well on their way to being achieved. Of special interest in the Committee of 300 program is the core of their economic policy, which is largely based on the teachings of Malthus, the son of an English country parson who was pushed to prominence by the British East India Company upon which the Committee of 300 is modelled.

Malthus maintained that man’s progress is tied to the earth’s natural ability to support a given number of people, beyond which point earth’s limited resources would rapidly be depleted. Once these natural resources have been consumed, it will be impossible to replace them. Hence, Malthus observed, it is necessary to limit populations within the boundaries of decreasing natural resources. It goes without saying that the elite will not allow themselves to be threatened by a burgeoning population of “useless eaters,” hence culling must be practiced. As I have previously stated, “culling” is going on today, using the methods mandated in the “Global 2000 Report.” —
