

ANYONE WHO USES THE WESTERN NEWS MEDIA FOR INFORMATION HAS NO IDEA WHAT IS GOING ON.

THE MEDIA *is* THE MATRIX:

The Corporate Western Media is used to confuse the populations of the UK/US/UK with disinformation for the purpose of power, control & maximising profit. False stories & videos are planted by The Corporations to manipulate the population, government & Parliament to gain support for wars, to create fear, to get taxpayers money for surveillance & to asset strip the economies. The population is kept in the dark about the harsh realities of life & also kept confused & disorientated on matters of “National Security.” This is known as “The Consensus Reality.” A dialogue of disinformation, lies, trivia & edited information to isolate a benign passive population.

Considering their inaptitude and inaction, western people might as well not exist. More is going to collapse on these brainwashed fools than mere stock values."

A LIFE OF CRIME

It is actually very easy to be a criminal.

Especially if you have been highly educated in one of the best private schools in the country like Eton & then enforced with self confidence at Oxford or Cambridge University.

All you need is a modicum of intelligence, a presentable face & no morality.

There are always people around you to reinforce your idea of the world.

A world where other people don't matter because they are; plebs, sheep, norms, workers.

And you are part of the privileged elite who have had no childhood struggles to hinder your growth, no vaccinations to restrict your brainpower & a clique of selfish spoilt brats to assist you in your development.

Who would ever have thought that the most affluent families & the most privileged children of England would turn into the most dangerous criminal elite in western history.

A Criminal Elite that could look at the wholesale theft of the United Kingdoms' Sovereign Assets as a straight forward business transaction.

That could destroy Democracy after 300 years without any tinge of regret.

That could turn our Legal & Justice system into a protection racket for the rich & the Criminal Corporations.

A Criminal Elite that turns a blind eye to; war, mass murder & economic destruction as long as it makes them a profit.

This Criminal Cartel are more dangerous than the Mafia gangsters, Hitler & Genghis Khan.

They just wear better suits & smile the PR smile.

BEES

Now going through Parliament, laws to allow the bee killer pesticides to be used on UK farms.

The problem is not just about bees & our foodcrop pollination. Monsanto owns the copyright on cereal food seeds & wants to own & control food production world wide. It already has a history of bankrupting farmers in India & the USA.

This is a "Crime Against Humanity" which should be reported to the European Courts of Justice.

THE NEW WORLD ORDER (NWO)

Plans are well advanced for the CORPORATE STATES which will be integrated into the CORPORATE AREA STATES & The CORPORATE WORLD STATE. Based on the World Trade Organisation ten geopolitical regions.

The extinguishing of individual countries sovereignty, jurisdiction & economies progresses as planned.

The destruction of the Middle East continues as Iran is touted as the compliant Fascist Regional Ruling State.

The NWO financed wars in Syria, Iraq & Yemen continue to drive refugees across land & sea to Europe to dilute & eradicate national identities & opposition power groups.

Opposition from Russia & China has resulted in a barrage of Western Media propaganda against Russia, the USA destabilisation of Ukraine & EU/US/UK sanctions.

Massive explosions in China have not as yet been attributed to its economic conflict with the USA but the Russia/China axis & the Brics nations have started to withdraw from dollar dependency leaving the USA dollar isolated & in danger of imminent collapse.

The Federal Reserves's debt of £18 trillion is likely to be used to cause an intentional stock exchange collapse on Wall Street & controlled economic collapse in the USA/UK/EU.

The New World Order intend to use the financial collapse to precipitate a decade of turmoil & Civil Wars which they will engineer by financing mercenaries & ISIS False Flag terrorist groups who will infiltrate Muslim immigrants from Syria, Iraq & Yemen & start racial civil wars in the UK/EU/USA.

Their objective is to create a Criminal Fascist World Government who will use Artificial Intelligence to control a slave worker population & cut down the world population to three billion compliant slaves & AI robots.
